NEW MEMBER APP

Meet MyRxPlan

Your prescription benefits, all in one place. Check your claims, see your costs, show your ID card, find a pharmacy and compare drug prices — right from your phone.

NEW MEMBER? START HERE

Register Now

1 Download

Get the **MyRxPlan app** from the **App Store** or **Google Play**.

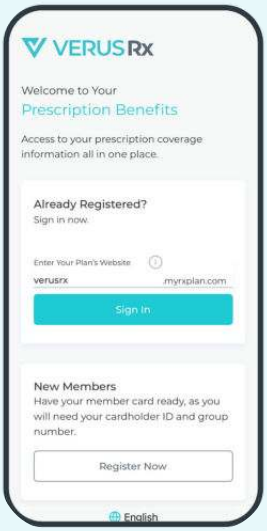

2 Register

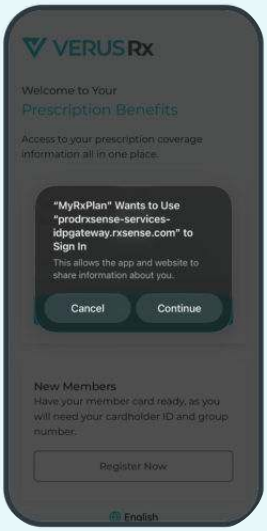

Tap **Register Now**, enter your card info, and type **VerusRx** as your plan website.

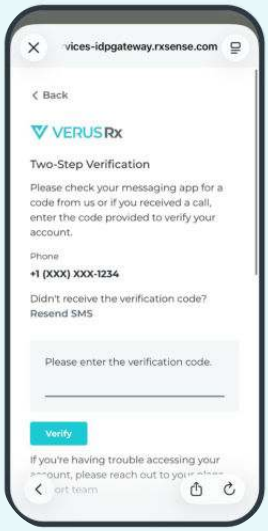

3 Find VerusRx

Your app now shows as **VerusRx**. Search for that name to open it next time.

GET STARTED IN 3 STEPS

1 Already registered?

Enter your plan website: **verusrx** and tap **Sign In**.

2 Tap Continue

Your phone asks to sign you in through RxSense, our secure sign-in partner. Tap **Continue** to move ahead.

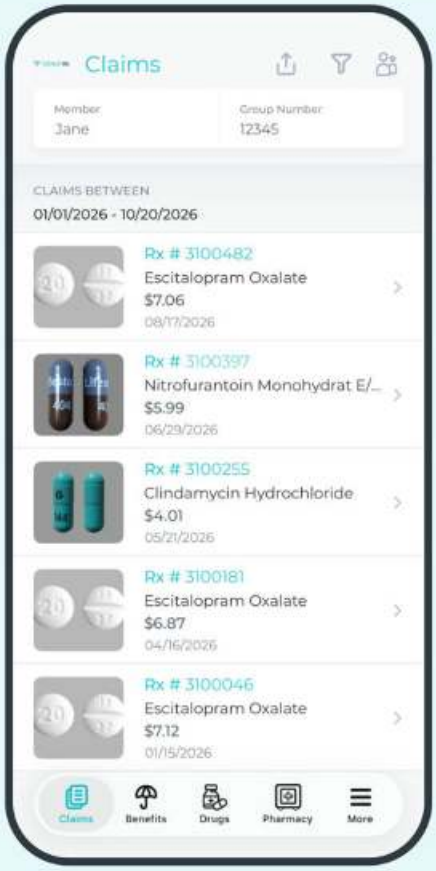

3 Verify it's you

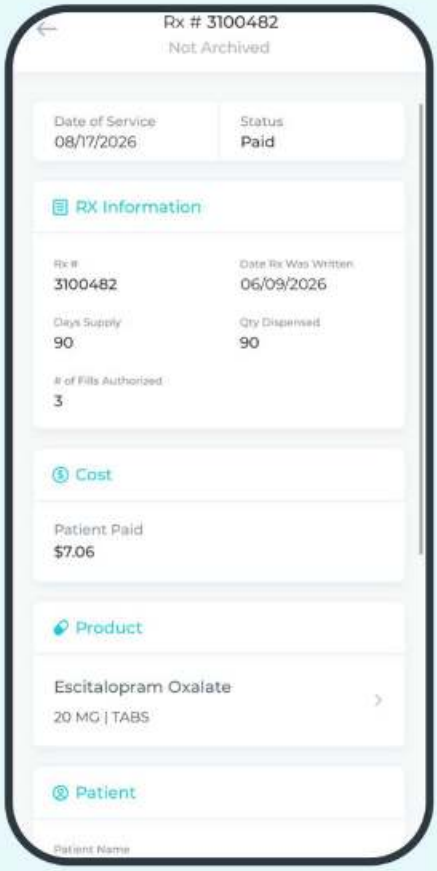

Enter the code we send to your phone, by text or call, then tap **Verify**. No code? Tap **Resend SMS**.

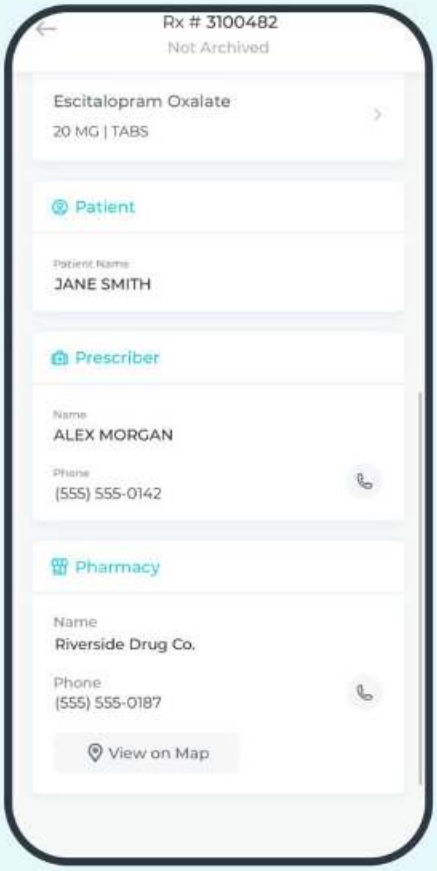

CLAIMS TAB

Your medicine cabinet

This is your home screen: every prescription filled under your plan, newest first.

1 See every fill

Each card shows the medication, what you paid and the fill date. Tap any medication to open it.

2 Check the details

Date of service, status, days' supply, quantity, refills authorized and what you paid — all in one place.

3 Know who and where

See your prescriber and pharmacy. Tap the phone icon to call, or **View on Map** for directions.

CLAIMS AND BENEFITS TABS

Make it yours

Tailor the app to you and your family — and keep an eye on your benefits.

ON THE CLAIMS TAB

1 Change the time frame

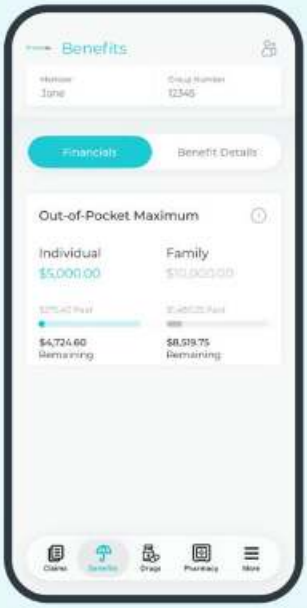

Tap the funnel icon on the Claims screen to view **Year to Date**, **Last 6** or **12 Months**, or a **Custom** range — and choose archived claims.

2 Switch family members

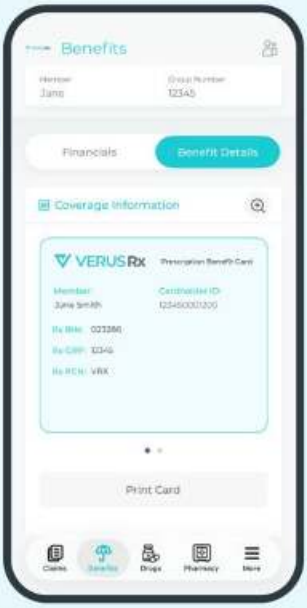

Tap the two-person icon to see claims for you, each covered family member, or the whole family at once.

ON THE BENEFITS TAB

3 Track your costs

On the **Benefits** tab, **Financials** shows how close you are to your out-of-pocket maximum (and deductible, if your plan has one) — for you and for your family.

4 Carry your ID card

Benefit Details shows your digital member ID card. Tap the magnifier to enlarge it, or tap **Print Card**.

DRUGS TAB

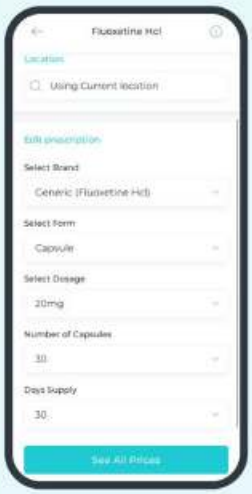

Know the price before you go

Compare drug prices at nearby pharmacies and check for interactions.

1 Search for a drug

Open the **Drugs** tab and type the medication name — or tap **View the current Prescription Drug List**.

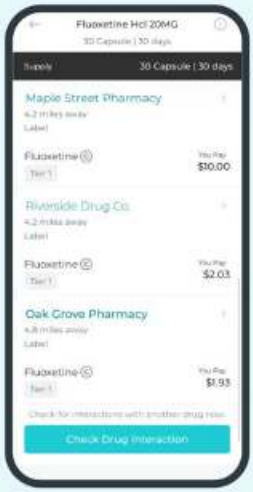

2 Tailor your search

Pick brand or generic, form, dosage, quantity and days' supply, then tap **See All Prices**.

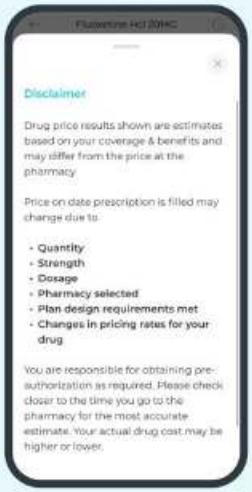

3 See if it's covered

Coverage and tier show at the top, with home delivery options to swipe through.

4 Compare pharmacies

Scroll to see what you'd pay at nearby pharmacies, with distance and price side by side.

5 Read the fine print

Prices are estimates and can change. Tap **Read Disclaimer** to see why.

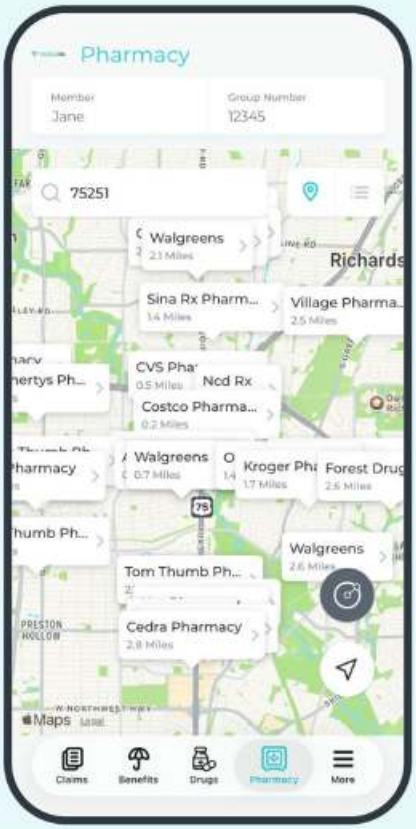

6 Check interactions

Tap **Check Drug Interaction** to compare two medications. Always confirm with your doctor or pharmacist.

PHARMACY & MORE

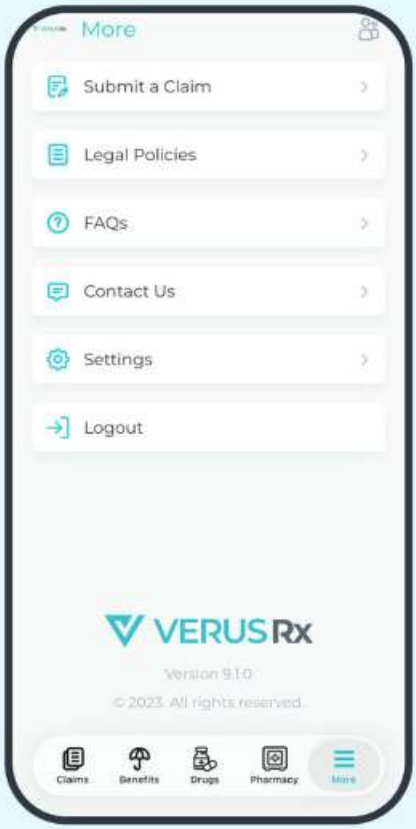

Find a pharmacy and get help

Everything else you need lives in the last two tabs.

1 Find a pharmacy

Use your current location or type a ZIP code, then choose a 5-, 10-, 15- or 20-mile radius. Tap a pharmacy to see more.

2 More tools

Submit a paper claim, read the FAQs and legal policies, contact us, update your settings or log out.
